Atmospheric and provocative, Rumaan Alamâ€™s third novel *Â* starts off off as a charming familial portrait that shortly devolves into cinematic disaster. As two households are thrown into a nightmare, questions within the complexities of parenthood, and the nature of race and class are brought to your surface in a tense stand-off that could have you questioning just what you might do when faced with the collapse of civilization as we know it. Lively, tense and thrilling, â€œ.

She still left no do the job, but now an archive of her notes and sketches has appear to the possession of Mary Reynolds, who is set to resurrect the artist's daily life and reconstruct her perform. She contacts...
